The Essential Series delivers thoughtfully designed cabinetry that balances durability, style, and dependable availability. Built with 3/4" frameless plywood construction and finished with clean, timeless door profiles, this in-stock line is engineered for efficiency without compromising quality. With curated finishes, soft-close hardware standard, and fast, reliable turnaround, the Essential Series offers a smart, versatile solution for projects that demand both performance and refined design.

Why Tidy?

Forward Trending

At Tidy, forward trending means designing cabinetry that reflects how people live today. Inspired by evolving styles, modern materials, and the warmth of real homes, our collections blend clean European lines, refined textures, and curated finishes with lasting comfort. We stay ahead while staying connected—bringing fresh, thoughtful design to life in a way that feels natural, inviting, and timeless.

Relationships For Life

We believe great spaces are built on lasting relationships. Every cabinet reflects our promise of reliability—designed to support the moments and milestones that shape a home. We stand beside our dealers and designers with consistency, trust, and long-term support, because to us, cabinetry isn't just a product—it's a relationship built to last.

Outstanding Value

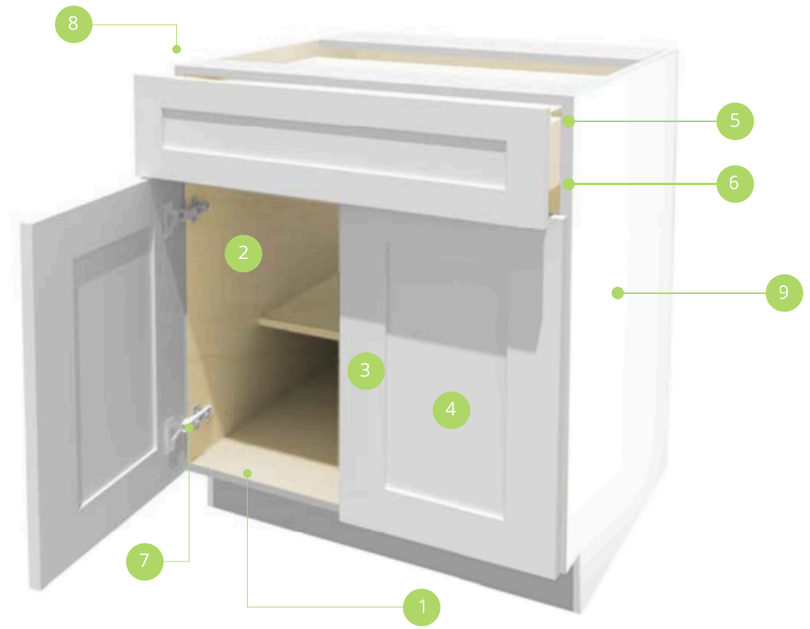
At Tidy, outstanding value goes beyond price—it's found in quality, design, and lasting confidence. Our cabinetry is thoughtfully crafted with durable materials and timeless style, delivering elevated beauty and dependable performance without sacrificing accessibility. True value means creating spaces that feel exceptional from installation through years of living.

Uniquely Accessible

We believe great design should be within reach. Our cabinetry combines thoughtful options, beautiful finishes, and dependable quality—making it easy to create inspired spaces without unnecessary complexity. Accessibility, for us, means opening the door to exceptional design for everyone, without compromise.

Frameless Cabinet Construction

For a truly seamless and streamlined design, the frameless box is the best choice. This design focuses on a clean, uninterrupted aesthetic with no visible borders, offering a sleek and spacious feel. The frameless structure maximizes interior access, making it ideal for modern settings and spaces.



1. Frameless ¾" Plywood Cabinet.
2. Clear Plywood Box Interior.
3. Solid Wood Door / Drawer Stiles & Rails.
4. High Density Fiber (HDF) Center panels.
5. Premium ⅝" Hardwood Dovetail Drawerboxes.
6. Soft close under-mounted drawer slides.
7. 6-way adjustable concealed soft close hinges.
8. Matching Edgeband.
9. Matching Cabinet Exterior.
